

Stage Plan / Tech Sheet for David Roth

David is a stand-up singer/guitarist. In addition to YOUR standard sound system (mixer/amp w/ **MINIMUM** of 4 (four) channels), speakers, monitor(s) cables, etc...

David needs:

- 1 vocal mic on a **boom** stand
- XLR mic **cable** to your snake/mixer (plugs into David's guitar pre-amp)
- AC power within 15 feet of downstage center
- *Vocal mics should be SHURE SM58's (or better!)*

LIGHTS: Fixed spots/adequate illumination for performance area. (Follow spots not required unless specified)

* **OPTIONAL:** If a keyboard/piano is available and in tune, David would like a piano vocal mic on a **BOOM** stand and the instrument to be amplified according to the requirements/ needs of the hall.

Other options:

- acoustic guitar stand
- tall stool
- music stand

Additional Notes:
